## PRESIDENT'S LETTER

### Happy New Year, AAHAM Family!

As we welcome 2026, I hope this year brings you renewed energy, growth, and success—both personally and professionally. The start of a new year is more than just turning a page on the calendar; it's an opportunity to reflect, reset, and rise to new challenges.

### One of my favorite quotes for this season is:

“The magic in new beginnings is truly the most powerful of them all.” – Josiyah Martin

This reminds us that every January gives us a fresh canvas to create something extraordinary.

### Exciting News at the National Level

Great things are happening at AAHAM National! Please join me in congratulating our 2026–2027 Executive Committee Leadership on their recent appointments. Their vision and dedication will continue to strengthen our organization and drive innovation in revenue cycle management.

### Membership Reminder

If you have not renewed your membership, please do so soon so you don't miss out on all the exciting things happening at AAHAM. Your membership keeps you connected to valuable resources, education, and networking opportunities.

### Save the Dates

Mark your calendars for these upcoming Philadelphia Chapter events:

- March 10, 2026 – Half-Day Event at Abington Jefferson Health

We look forward to seeing you there for education, networking, and fun!

As we move forward, let's stay connected, share knowledge, and support one another. Our chapter has incredible opportunities ahead, and I'm excited to see what we accomplish together this year.

Wishing you all a successful and inspiring 2026!

## CORPORATE PARTNERS

On behalf of the entire board, I would like to thank all of our current corporate partners. Soon we will be kicking off our 2026 Corporate Partners' Program campaign! We sincerely hope you will continue to support the program in 2026, and we encourage new partners to join.

The AAHAM Philadelphia Corporate Partners' program is a vital component of our local organization assist in providing ongoing education and support to our membership. It is through the underwriting of our Corporate Sponsorship program that we can produce quality education programs featuring key areas impacting our industry and our profession, to support ongoing efforts to provide certification training to encourage and enrich professional growth in the field of patient accounting, and to provide a resource for our members on the issues they face every day. It also affords our Partners a budgeting consideration, rather than unplanned requests for support throughout the year.

Below is a description of the benefits afforded to our Partners at each of the various levels. Also, here is a link to the Corporate Partners page on our website Philadelphia [Chapter of AAHAM – Current Corporate Partners](#). Your consideration and support are appreciated.
